- Discussion of negotiations incident to a contractual arrangement, and proposed sale or purchase of property and expansion of clinical services.

Board Action: The motion was seconded, voted on and unanimously carried.
Chairman Schulze announced that the Board would move into closed session at the end of the regular agenda.

Item 3. MUSC FY2020 Budget.

Statement: Ms. Lisa Montgomery, Executive Vice President for Finance and Operations, kicked off the budget presentations segment of the Board meeting and gave a brief overview of the budget process. Ms. Montgomery reminded the board that at this meeting the budgets are presented at a high level and are for information only. The FY2020 detailed budgets will be mailed out with the August Board agenda materials and formal approval will be requested at the August Board of Trustees meeting.

Mr. Patrick Wamsley, the University's Chief Financial Officer, presented the Medical University of South Carolina's proposed FY 2020 operating and capital budgets. The operating budget, with a bottom line of \$9.1 million included \$15.6 million of new appropriations, \$2 million of new tuition and fees, and \$18 million of new grants and contracts. Mr. Wamsley separated \$85 million Health System pass-through dollars from other revenues and expenses, so the effect of those dollars could be understood. Salaries and Benefits expenses of \$446 million represented approximately 53% of total expenses. The second largest category of expenses (20%) were Contractual Services in the amount of \$165 million. Prior year funds use of \$14.9 million was explained. Finally, a proposed capital budget slide, representing \$23.3 million of newly proposed spending for FY2020 was presented and explained.

Recommendation of Administration: That this be received as information.

Board Action: Received as information.

Item 5. MUSC Health FY2020 Budget.

Statement: Ms. Lisa Goodlett, Chief Financial Officer, MUSC Health, presented the proposed FY2020 operating and capital budgets for MUSC Health. For the MUSC Health System, the presentation emphasized that FY2019 was a period of high growth due to the Reginal Health Network (RHN) acquisition. This movement off the peninsula increased MUSC Health from a \$2.1B enterprise to a \$2.5B enterprise. The new acquisitions are on target from the initial performance and favorably strengthening the system.

For FY2020, growth will continue in the Charleston area with opening and operationalizing six new platforms. This pressure will impact the Charleston based entities operating margin. Clinicians are the primary drivers of growth. Linkage to the two-year capitalized annual growth of the Charleston hospital activity correlated to the increase in clinical providers from FY17 – FY19.
