

In Our DNA SC

A Community Health Research Project

**SUPPORT AND RESOURCES
FOR PARTICIPANTS**

We offer free genetic counseling through the Medical University of South Carolina for all individuals who are identified with a Tier 1 Condition (Hereditary Breast and Ovarian Cancer Syndrome, Lynch Syndrome, and Familial Hypercholesterolemia). The In Our DNA SC team has compiled a list of health care resources available for individuals who are uninsured or underinsured and will need additional follow-up care.

Please reach out to the In Our DNA SC study team with any other questions.
